

Cereal Box Challenge™

Goal: To use a primary source to identify overlooked problems and generate original research project ideas

Review: pp. 67-77 of *Where Research Begins*

Format: Individual, partner, or group

What You Need to Begin: A primary source

Name/Description/Citation of primary source:

What I notice about the source	Questions/concerns I might have	The very next primary source I might want to find	Genres of questions that might be related to my Problem
